FRIDAY EVENING, AUGUST 2, 1901.

LOCAL MATTERS.

Sun rises tomorrow at 5:02 a. m. and sets at 7:09 p. m. High water at 9:42 a. m. and 10:05 p. m.

WEATHER PROBABILITIES.—For this section fair tonight, Saturday generally fair, except possibly local thunderstorms in the afternoon or at night; slightly warmer; variable winds.

SCHOOL BOARD.—At the monthly meeting of the City School Board held last night there were present Messrs. Thompson, Aitchison, Mankin, Marbury, Normoye, Thompson, Carney, Bryant and the Superintendent.

In the absence of the chairman, Capt. Bryant presided.

Mr. Aitchison, from the committee on schoolhouses and furniture reported progress as to the repair of buildings.

The treasurer's annual report of the receipts and expenditures of the board, accompanied by the proper vouchers, was presented and after a statement by Mr. Normoye that the report had been examined by the finance committee and found to be correct, it was accepted and the clerk was directed to certify to the correctness of the same to the proper authorities at Richmond.

The clerk submitted his annual report of the receipts and expenditures of the board, showing receipts \$20,389 and expenses \$20,701.97, leaving a deficit of \$312.97, and the report was received and accepted.

Bills for four formaldehyde lamps, \$100, and for the memorial medal, \$3, were ordered to be paid.

All the teachers and janitors now in the employ of the board were re-elected.

The Superintendent stated he was not yet ready to name substitute teachers.

The clerk presented bids for 40 desks and the matter was referred to the committee on schoolhouses and furniture and the clerk with power, if they deemed advisable, to accept the offer of a Philadelphia firm—the lowest bidder.

The clerk was instructed to commence on Monday, September 2, the issuing of permits to children to attend the schools.

BOARD OF HEALTH.—The gentlemen recently elected by the City Council members of the Board of Health, met in the Auditor's office last night and were sworn in by Mayor Simpson. The following were present: P. M. Bradshaw, J. F. Harrison, R. H. Cox, Jas. F. Peyton, W. L. Hoy, and M. T. Sawyer. Messrs. J. Johnston Green, Samuel A. Mankin and J. T. Egan were absent. Dr. E. A. Gordon, Health Officer, presided. W. L. Hoy was elected secretary. The board decided to get copies of the health laws of the District of Columbia and several Virginia cities, and take suitable extracts from those laws for use here, and to ask the City Council to adopt them, as the old laws governing the health board are deemed inadequate. Messrs. Bradshaw, Cox and Peyton were appointed on this committee. The secretary was directed to notify the absent members that they had been elected to the board, and to ascertain whether or not they desired to serve. If the absentees do not intend to serve it is the intention of the board to name suitable men and ask Council to elect them. The board also decided to meet the third Thursday in every month. An informal discussion was then held pertaining to the betterment of the sanitary condition of the city, after which the board adjourned.

ALLEGED HORSE THIEF.—Robert Pendleton, colored, was arrested Wednesday night in the county by Sheriff Palmer on the charge of horse stealing. The prisoner was only overtaken after a chase of more than a mile, when, at the point of a revolver, he was arrested at Aqueduct Bridge. Recently a large number of horses and cows have been stolen from residents in the county, and heretofore it has been impossible to apprehend the thieves. Wednesday night Sheriff Palmer was out driving when he ordered him to consider himself under arrest, but Pendleton started to run in the direction of Washington with Sheriff Palmer in pursuit. The Sheriff after galloping his horse for about a mile overtook Pendleton, who was about to jump down the steep precipice at Aqueduct Bridge. The Sheriff fired at the fleeing man, who then stopped and he was taken in custody.

POLICE COURT.—The following cases were disposed of today:

T. Mulholland, drunk in the street; continued.

Patrick Duffy, disorderly conduct and fighting; fined \$5.

A man, disorderly conduct and fighting; dismissed.

Robert Brown, disorderly conduct and fighting; fined \$5.

James Peterson, disorderly conduct and fighting; dismissed.

Clarence Anderson, colored, disorderly conduct; fined \$5.

Alexander Robinson, disorderly conduct; dismissed.

Night Report.—Last night was clear and mild. Three prisoners and two lodgers were at the station house.

A FATAL FALL.—Andrew Vogelweide, a carpenter, twenty-eight years old, fell from the roof of the Sherman Apartment House, at the corner of Fifteenth and L streets northwest, Washington, yesterday morning, and was instantly killed. He was engaged at the time in remodeling some grout roofing, when the temporary wooden staging gave way and he fell through the seven stories of the building to the basement, some ninety feet below. The entire right side of the skull was crushed in, and death must have been almost instantaneous.

DAMAGED BY WIND.—The dwelling being erected by Mr. Benjamin Grimes at Matthews Point in King George county, was badly damaged by the wind in a thunder storm Tuesday evening last. The dwelling was only partly finished, and the force of the gale entirely demolished the kitchen at the rear of the house, blew out windows and detached a portion of the main building.

SEVERAL FIGHTS.—There were six fights in this city from about twelve o'clock last night until nine this morning.

The first occurred between two men at the intersection of King and Fayette streets. Neither one was hurt and no arrests were made.

Another fight took place on Fayette street, between King and Prince about midnight, between Charles Baltimore and Wm. Brookes, both colored. The fracas disturbed the slumber of many in the neighborhood, but the combatants escaped before the arrival of the police. This morning Officer Arrington procured a warrant for the arrest of the belligerents.

About seven o'clock this morning a negro named Clarence Washington became disorderly at the Fayette street depot, and upon being approached by special Officer Harding grew aggressive and started to assault the officer. The latter had considerable difficulty in taking him into custody. He was taken before the Mayor who fined him \$5.

Later Patrick Duffy and Charles (alias "Buck") Schafer engaged in an encounter near the W. & O. depot. Officers Bettie and Knight appeared on the scene and took both in custody. Duffy was fined \$5, but Schafer was dismissed.

James Peterson and Robert Brown, employed on a schooner lying at this port, engaged in a fight at the intersection of King and Lee streets shortly afterwards. Officers Arthur Davis and Travers arrested both and took them before the Mayor. It seemed that Brown had become inebriated at Peterson, who is the mate of the schooner, alleging that he had unnecessarily worked the men. The Mayor fined Brown \$5 and dismissed Peterson, who, according to the evidence was not in fault. Brown came out second-best in the fight and later when the mate went aboard the schooner the remainder of the crew rose upon him. Peterson, who is rather a small man, knocked his assistants right and left. More arrests followed and the parties who started the fight were fined.

NEW WAY TO GET A DRINK.—Mr. Harry Fleischmann, the proprietor of the hotel on Royal street which bears his name, was made the victim of a joke by which a stranger succeeded in obtaining a drink from him. Things were quiet in the hotel and the proprietor was sitting idly meditating and smiling over events of the recent past when the express train from Mr. Vernon rolled in and a well-dressed stranger entered the bar hastily. In a moment Mr. Fleischmann was behind the counter. "Give me a cocktail," said the stranger, and the proprietor proceeded to make the drink. At a moment with a drink of a lemon peel over the glass, the drink was placed upon the counter before the stranger. The latter glanced at it, and then, in a pleading sort of tone, said, "Old man, I am feeling badly; would you mind if I took a gin phiz instead of cocktail?" Of course Mr. Fleischmann did mind, but he said nothing and compounded the phiz and set it beside the cocktail. The stranger quickly drank the phiz and started out. "Hold on," said Mr. Fleischmann, "you haven't paid me for this drink." "I swapped the cocktail for it." "But you did not pay for the cocktail," replied the boniface. "No, and I did not drink it, either," came the reply as the sound of a gong was heard. The stranger rushed out, caught the Washington train and left Mr. Fleischmann to his reveries.

ALLEGED ASSAULT.—Mention was made a day or two ago of the arrest of a man in the county who was charged with brutal treatment of a little girl. The authorities were not disposed to impart any more information than the police, apprehending that there might be a repetition of scenes enacted in the county about a year ago should the people become excited. It has since been learned that J. F. Posey is the defendant in the case and the little girl, who is between 7 and 8 years of age, is named Lewis.

SOME ADVERTISING ADVICE.—The many publications which are devoted exclusively to the art of advertising seem to have pressed advice on business men in regard to every feature of publicity. An experienced merchant, however, has needed only a little space to present the most important advice on the subject. "In every community," he says, "there are mediums of well known worth. Use them to the limit of your appropriation, and do not waste a dollar by outside experiments."
